## ETAP seminar SS22

iAnnounce This week Next

## Seminar about Physics (ETAP)

Monday, 12:30 p.m. in Staudingerweg 7, Minkowskiraum also available

Coordinator & contact:  
Dr. Duc Bao Ta  
Institut fuer Physik  
ducbao.ta (at) uni-mainz.de

Please contact the ETAP group, if you want to participate in the seminar.

Add event

Date & Title
July 18, 2022 <a href="#">Michael Nieslony (Institut für Physik): Deployment and preliminary data of the first LAPPD in ANNIE</a>
July 4, 2022 <a href="#">Adrian Alvarez Fernandez (Institut für Physik): The Forward Feature EXtractor for the ATLAS Phase-II trigger upgrade</a>

## Large Hadron Collider restarts

Beams of protons are again circulating around the collider's 27-kilometre ring, marking the end of a multiple-year hiatus for upgrade work
